Review report and interim financial information
For the three-month period ended 31 March 2021

Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Laguna Resorts & Hotels Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Laguna Resorts & Hotels Public Company Limited and its subsidiaries (the Group) as at 31 March 2021, the related consolidated statements of income, comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, as well as the condensed notes to the interim consolidated financial statements. I have also reviewed the separate financial information of Laguna Resorts & Hotels Public Company Limited for the same period (collectively "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

Emphasis of matters

I draw attention to Note 1.2 to the interim consolidated financial statements. The Coronavirus disease 2019 (COVID-19) pandemic in Thailand is continuing to evolve, resulting in an economic slowdown and adversely impacting most businesses and industries, including the Group's business activities. For hotel business, the Group is able to reopen their hotels in September 2020. For property development business, the Group has resumed the construction of some projects and continue to sell their outstanding property projects. However, the number of foreign and local customers have not yet been restored as the situation is ongoing. The management has taken extensive measures to reduce their cost and expenses. In terms of the Group's obligations with respect to repayment of hotel related loans from banks, the Group successfully negotiated with the banks to defer loan principal repayments and interest payments by 12 months. These are significantly impacting the Group's financial position, operating results, and cash flows at present, and is expected to do so in the future.

The Group's management has continuously monitored the ongoing developments and assessed the financial impact in respect of the valuation of assets, provisions and contingent liabilities, and has used estimates and judgment in respect of various issues as the situation has evolved.

My conclusion is not modified in respect of this matter.

Laguna Resorts & Hotels Public Company Limited and its subsidiaries

1. General information

1.1 Corporate information

Laguna Resorts & Hotels Public Company Limited (“the Company”, “LRH”) is a public company incorporated and domiciled in Thailand. Its major shareholder is Banyan Tree Assets (Thailand) Company Limited, which was incorporated in Thailand. The parent company of the Group is Banyan Tree Holdings Limited, which was incorporated in Singapore.

The Group is principally engaged in the hotel business and property development. There are five hotels in Laguna Phuket, namely Angsana Laguna Phuket, Banyan Tree Phuket, Angsana Villas Resort Phuket, Cassia Phuket and Laguna Holiday Club Phuket Resort, located in Phuket province and one hotel, the Banyan Tree Bangkok, located in Bangkok. The subsidiaries are also engaged in operating golf clubs (Laguna Golf Phuket and Laguna Golf Bintan), sales of merchandise (Banyan Tree Gallery), spa, office and shop rental and sale of holiday club memberships.

The registered office of the Company is at 21/17B, 21/17C, 21/65, 21/66 and 21/68 Thai Wah Tower 1, 7th, 22nd and 24th Floor, South Sathorn Road, Tungmahamek, Sathorn, Bangkok.

1.2 Coronavirus disease 2019 Pandemic

The Coronavirus disease 2019 (COVID-19) pandemic is continuing to evolve, resulting in an economic slowdown and adversely impacting most businesses and industries. Like almost all businesses in the hospitality industry in Thailand, the COVID-19 pandemic has significantly impacted the Group’s businesses, especially the hotel business.

To further improve the Group’s hotel business, the Group has launched numerous promotional campaigns through trade fairs and social media by offering attractive value-added hotel packages.

The Group has also taken extensive measures to reduce its overhead expenses through an unpaid leave scheme, delaying unnecessary expenditure, rationalising its workforce, and a corporate restructuring to improve productivity which has significantly reduced its “burn rate”. The Group has also successfully negotiated with its bank to defer loan principal repayments and interest payments at least by 12 months.

(Unaudited but reviewed)

In terms of the property development business, the Group has still performed the construction of some of its property projects during the period. Despite the pandemic, the Group is continuing to sell properties and during the three-month period ended 31 March 2021 new properties of more than Baht 250 million have been sold to date.

Nevertheless, the COVID-19 pandemic continues to impact the Group's financial position, operating results, and cash flows at present, including compliance with debt covenants, and is expected to do so in the future. The Group's management has continuously monitored ongoing developments and assessed the financial impact in respect of the valuation of assets, provisions and contingent liabilities, and has used estimates and judgement in respect of various issues as the situation has evolved.

1.3 Basis for the preparation of interim financial information

This interim financial information is prepared in accordance with Thai Accounting Standard No. 34 Interim Financial Reporting, with the Company choosing to present condensed interim financial statements. However, the Company has presented the statements of financial position, income, comprehensive income, changes in shareholders' equity, and cash flows in the same format as that used for the annual financial statements.

The interim financial information is intended to provide information additional to that included in the latest annual financial statements. Accordingly, they focus on new activities, events and circumstances so as not to duplicate information previously reported. This interim financial information should therefore be read in conjunction with the latest annual financial statements.

The interim financial information in Thai language is the official statutory financial information of the Company. The interim financial information in English language has been translated from the Thai language financial information.

1.4 Basis of consolidation

This interim financial information include the financial statements of Laguna Resorts & Hotels Public Company Limited and its subsidiaries ("the Group") and have been prepared on the same basis as that applied for the consolidated financial statements for the year ended 31 December 2020. There have been no changes in the composition of the subsidiaries during the period.

1.5 New financial reporting standards

(a) Financial reporting standards that became effective in the current period

During the period, the Group has adopted the revised financial reporting standards and interpretations which are effective for fiscal years beginning on or after 1 January 2021. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and providing accounting guidance for users of the standards.

The adoption of these financial reporting standards does not have any significant impact on the Group's financial statements.

(b) Financial reporting standards that will become effective for fiscal years beginning on or after 1 January 2022

The Federation of Accounting Professions issued amendments to Thai Financial Reporting Standard 16 Leases that provide temporary exemptions from the impact of interest rate benchmark reform for a lessee, provided that all specified conditions are to be met.

The management of the Group believes that adoption of these amendments will not have any significant impact on the Group's financial statements.

1.6 Significant accounting policies

The interim financial information is prepared by using the same accounting policies and methods of computation as were used for the financial statements for the year ended 31 December 2020.
